Volume 24, Issue 1
From the Dean's Office:

Week of August 29, 1994

WELCOME BACK to all students, faculty, and staff--and a special **welcome** to all new to the Doheny Campus. We are very glad you are with us!

I hope to meet each and every one of you this semester, and I urge you to come by and visit me in Building #10 when you have a moment in your busy schedules. If I can assist you or help to make it a better year for you, I am eager to answer your questions, hear your suggestions, and talk about your concerns. All of us--administrators, faculty, and staff--are here to help you make your college experience successful, productive...and *fun*!

Sister Kathleen Kelly, Dean

Our theme for the 1994-1995 academic year is "We Choose Our Future." As educators we are dedicated to providing you, our students, with the means to choose that future. New ideas and experiences, new ways of approaching learning, exposure to what is good, what is quality, what is true, will enable you to make wise choices. Competence in your field of study and understanding of the liberal arts will give you the necessary tools for that future. Our caring Christian community embodies the values that you will need for your future so that you, as Mount graduates, will choose to positively impact your world as leaders.

Have a *Wonderful Year!*

--Over--

For Your Information:

Ford Foundation Campus Diversity Initiative

The Ford foundation has funded over 100 diversity projects since 1990 with the purpose of improving intergroup understandings through faculty, student and curriculum development. Mount St. Mary's College has been one of the beneficiaries of this funding. A number of MSMC's diversity initiatives have been generated and/or strengthened thanks to this generous funding. At this time the Ford Foundation is hoping to find ways to make intergroup understanding, as exemplified in the diversity initiative projects, known to a wider audience. To obtain more in-depth information about the funded diversity projects and to see examples of the initiatives in action, the Ford Foundation has engaged the public relations firm of Martin and Glantz to visit representative programs. MSMC is one of about seven institutions which have been selected for a visit. *On Tuesday, November 8th, we will welcome Jackie Jordon-Davis from Martin and Glantz to the college.* Jackie will be visiting both campuses and talking with students, faculty, staff, and administrators. *If you would like more information on this visit, please contact Sr. Kieran Vaughan (213) 746-0450—Doheny Ext. 2233.*

From The Student Services:

Mark your calendar! *On Monday, December 5, the Doheny Campus will be hosting its annual Red Cross Blood Mobile.* Last year was a red-letter year for us as we donated the most pints ever! We want to break that

record, so mark your calendars now and plan to participate. More details will come in the weeks ahead.

From The Purchasing Dept.

Apples for the Students!

Von's receipts are being collected in the Purchasing Office for Apple Computers Program. If you wish to donate your receipts, please either mail them to Purchasing or feel free to drop them off, if you are in the area.

There is an envelope attached to a bulletin board located in the hallway outside Purchasing and Central Supply, that is marked for Von's Receipts. Just drop them into it.

The program started 10/20/94 and runs through 1/11/95...so we have plenty of time to get involved.

Happy Halloween!

From Campus Ministry:

Food and Clothes Drive:

Think globally and act locally.

"Each year 40 million people die from hunger and hunger related diseases. This figure is equivalent to more 300 jumbo jet crashes a day with no survivors, almost half of the passengers being children." This figure taken from GAIA: An Atlas of Planet Management may overwhelm us, but there is something that we can do. Our **FOOD AND CLOTHES DRIVE** offers us an opportunity to respond to this global situation by raising our

consciousness. Let us take inventory of our belongings and donate clothing, including shoes that we no longer use. You are also encouraged to bring in non-perishable foods; we are surrounded by hungry people. Thank you for your generosity.

World Fast Day:

Thursday, November 17, the day we honor St. Elizabeth of Hungary, you are invited to participate in fasting. This means that we limit our food intake. Food service will have soup and bread. As we eat less, let us think of 20 million Americans that will be hungry sometime this month.

Making Pumpkin Bread:

Our Jack O'Lanterns will be recycled for the pumpkin bread that we will make this Friday, November 18, from 3-6 p.m. in the Mansion. This will be part of the bag lunches that we will fix the next day at the Missionary Brothers of Charity. Please sign up at the Campus Ministry Board. Thank you.

Mark your calendars to attend our Thanksgiving Liturgy on Tuesday, November 22, at 11:15 a.m. Father Tom Cargo will be our celebrant. You are welcome to help plan the liturgy. Please contact Campus Ministry for information.

From the Advisement Center:

The proficiency test for Spanish is being given Monday, November 14, and Tuesday, November 15, from 12:30 to 1:30 p.m., in Rm. 206A. There is a sign-up sheet on the door of Office 2 near the Lecture Hall. Please talk to Sr. Aline Marie if the time of the test is impossible for you.

Wednesday, November 23 is the last day to change to CREDIT/NO CREDIT OR AUDIT.

From Career Planning:

MARK THIS DATE: November 30th, 11:30 a.m.-12:30 p.m.
Career Planning will be presenting a workshop in Donohue Center on **how to get a part-time job for the holidays**. More information will be coming in the next issue of Doheny Happenings.

Have you visited the Career Planning Center lately? We have added books to our Career Library about resume writing and where to find jobs in the Los Angeles area. These books are available to be checked out. The Center also receives monthly issues of Working Woman and Fortune magazines. Stop by and have a look around. The office is open Monday through Friday, 8:00 a.m. to 4:30 p.m.

From The Learning Resource Center:

Proficiency tests in reading, writing, basic math, and notetaking must be passed before graduating with an A.A. degree or transferring to Chalon.
Some classes will have the test at the end of the class: reading test will be administered in Reading Development; writing test will be administered in Basic Writing; basic math will be administered in Basic Math; and notetaking in that class. Those who are not in those classes and who need to pass these tests may take them in the Learning Center on the following days:

Reading Test	Tuesday, Nov. 29, 11:15 a.m.
Basic Math	Thursday, Dec. 1, 11:15 a.m.
Notetaking	Thursday, Dec. 1, 1:00 p.m.

Passing the mathematics proficiency test (algebra) allows a student to take Chem 3A, Math 1, and Statistics. This test will be given:

Mathematics	Wednesday, Nov. 30, 11:30 a.m.
--------------------	---------------------------------------

If you need to take one of these tests and cannot take it at the above time, please see Sr. Carol to arrange a time convenient for you and her.

Students and advisors will be notified of the results of the test a week after taking it.

Red Cross Blood Mobile:

Just another reminder that Monday, December 5, will be our Annual Doheny Blood Mobile Drive. The Red Cross will be here through the day for any donors who wish to participate. We will be taking appointments soon, so watch for signs. You are greatly needed!

Christmas Fair:

Can you believe that it is getting to be that time of the year again? Well, the holidays are upon us and so we will be holding our Annual Christmas Fair at Doheny. **The dates are set for Wednesday and Thursday, Nov. 30 and Dec. 1.** The location will depend on the weather, but the time will be from 11:00 a.m.-1:30 p.m. **If you have items to sell - crafts, goodies, gift items, etc. - and would like to have a table reserved, please come to Bldg. 7, Office 4 for an application. We need sellers as much as we need buyers to make the fair a success. Plan today-- and start to save for all those stocking stuffers!**

Outing to Chalon:

We have heard the saying that the poor are not only needy during the holidays but all year round. This is precisely what Chalon Campus Ministry does every Sunday by providing food to our hungry brothers and sister in Santa Monica. There is still room in the van to go to the Chalon Campus on **Sunday, Nov. 27, for sandwich-making, Sunday Liturgy, and distributing bag lunches at the Promenade.** We will leave in front of Bldg. 10 at 4:30p.m. All are invited.

From Campus Ministry:

Our Lady's Mass and Confirmation Candidates:

This Thursday, December 8, we will honor the Blessed Mother under the title of the Immaculate Conception. Especially for us as women, Mary is an appropriate role model as she walked through life in Faith, took risks, committed herself to Jesus, and guided the beginning Church. Please carve some time out of your busy day to come and pray and support the eight Confirmation candidates as they are presented to the College community. **The candidates are Silvia/Leticia Quintero, Linda Banderas, Nicole Loudermilk, Xochitl Vera, Lucy Ramirez, Nubia Banderas, and Stephanie Chambers.** Accompanied by parents and/or sponsors, these women will publicly begin their journey of commitment. Please support them and join us in celebrating.

Central Juvenile Hall:

Those interested in visiting teenagers at Juvenile Hall, please sign up at the Campus Ministry Board, Bldg. 4. Because get-togethers with family and friends characterize holidays, those that are incarcerated experience terrible loneliness and depression. You can help by visiting and bringing hope, joy, and a sense of dignity. **The shuttle leaves at 7:30a.m. in front of Bldg. 10 and will return by 12 noon.** The gift of self is the best Christmas gift!

Clothing Drive Continues:

We are still collecting clothing, some housewares, and especially, children's things. Please bring your donations up to Campus Ministry. These will be taken to the house of Ruth and to the Missionary Brothers of Charity. Thank you for your generosity and care. Donations that are in clean, mended, and good condition certainly reflect a positive and dignified attitude toward poor people.

You are invited to help sort clothes on Wednesday, December 7, from 3-5p.m. and 7-9p.m. Give yourself a meaningful study break and help us out.

Thank You!

Mananitas:

Next Monday, December 12, you might be awakened by the harmonious sounds of parishioners from St. Vincent's as they process through our campus at 5a.m. Mananitas is a title of Our Lady of Guadalupe, Empress of the Americas. As we remember the visit Mary paid to Juan Diego, her message is for us. Please join us for all of the festivities, which include Mass or just to the gate of the campus. It will prove to be an unforgettable experience.

Advent Prayer Service:

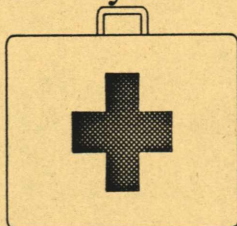

Please join us on Tuesday, December 6, at 5:15-5:30p.m. for a moment of quiet reflection as we ask God to help us focus on the significance of Christmas preparations. It only takes a brief moment to get centered with others to offer prayers of thanksgiving and petition for those who are in need. All are invited.

From Student Services:

Red Letter Day-December 5!

The day is here -- the *Annual Winter Blood mobile is on campus today.*

Those who signed for appointments are reminded to eat a healthy breakfast/lunch and be on time in Donohue. *Others who might not have had the chance to sign up, are invited to visit Donohue between 9:30a.m. and 2:45p.m. as a drop-in donor.* We want to surpass our 1993 event; please help if you can!

Christmas Fair -- Continuing!

Thanks to all those who participates with such wonderful items for the Fair. It was one of *our best ever* -- due to many of you who sponsored tables and purchased! *If anyone is still in the market for a calendar (pocket size, two year), they are available in Office 4, Bldg. 7, for just \$ 1.00.* (They did not arrive in time for the sale.) Thanks again to all who contributed to the spirit of the season!

From The Admissions Office:

On behalf of the Admissions Office, *I would like to thank the following V.I.P.s for an excellent job on Sunday*, at our Afternoon at the Mount Program. Prospective students were able to obtain a very personal view of what Mount St. Mary's has to offer. *Your help is invaluable to us, and we really appreciate your efforts!*

Preparation For Christmas Thought:

“Jesus, your birth calls us to value human life. You teach us even by your birth to embrace the homeless and disadvantaged people of the world. Deepen our respect and compassion for all who are poor. Help us to build societies and civilizations whose laws and structures reflect the high regard you show for everything human.

Jesus, we honor the humility of your entry into this world. Help us to respect this creation of which we are a part. Free us from the obsession with ownership and control and domination. Teach us to enjoy and share the gifts you provide. Heal the violence in our hearts that would monopolize or destroy the resources that surround us. Amen.”

FROM THE DEAN'S OFFICE:

STEP/MID-SEMESTER NOTICES

Please give **STEP (Early Warning) Notices** to any student who is having any type of difficulty in your course--absenteeism, poor preparation, missing assignments, etc. *The student does not have to be failing at this point*, but a STEP Notice alerts her that she is in danger of doing poorly. STEP Notices have been very effective in motivating students. It also gives the instructor an opportunity to talk to the student and direct her to means of assistance.

Mid-Semester Notices should be issued after mid-semester (following Spring Break, March 13-17) if the student is in danger of getting a "D" or "F". If given in time, the student often will study harder and pass the course successfully. If the student is doing passing work at mid-semester and then does failing work, please give either a Mid-Semester or STEP notice at that time. The information the instructor puts on these notices assists the advisors and the Dean in counseling students and in making decisions regarding probation and disqualification.

EARTHQUAKE SIMULATION

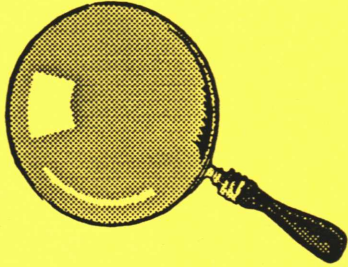

On **TUESDAY, MARCH 7, from 11:15 - 12:15**, we will be holding an **EARTHQUAKE SIMULATION DRILL** on campus. Since this is the "free period" in which no courses should be scheduled, this exercise should not interrupt your class routine. It is very important that we all participate in this drill so that we may learn the complexities of "disaster management" on this campus. A Doheny Campus **Crisis Management Team** has been formed and will be in charge of the disaster simulation, with the assistance of members of the Los Angeles Fire Department. Please inform your students that this drill will be taking place and that they should follow the directions given by the members of the Crisis Management Team. The members of this team are identified on the emergency information flyer (bright pink) that has been posted in each classroom. *If your classroom does not have such a flyer, please contact Lisa Melou in the Dean's Office.*

As a component of the earthquake drill, we are also discussing the psychological implications of major disasters (such as an earthquake) on our student population. Faculty and staff are invited to attend the **Associate in Arts Program Directors Meeting tomorrow, Tuesday, February 28, at 1:30 p.m. in the Executive Conference Room, Bldg. #10.** At this meeting, **Dr. Carol Povenmire**, Director of Counseling Services, will present information on the effects of such catastrophes on our students. Please attend this meeting if your schedule permits. The more information we have, the more effective we will be in assisting our students (and ourselves!).

NOTIFICATION REGARDING CANCELLATION OF CLASSES

☞ If you must cancel classes because of illness or for any other reason, *please call Lisa Melou in the Dean's Office, Ext. 2103.* She is in the office by 8:00 a.m.

STUDENT WORKERS

It is very important that student workers understand the professional nature of their position. Please instruct them especially regarding *confidentiality*. Anything that a student hears or sees in your office should remain there. It should be emphasized that students never share information learned on the job with other students. Please be careful what you say in front of student workers or what you inadvertently leave around.

There is no such thing as
a wrong answer. However, if
there WERE such a thing, Malcolm,
that certainly would have been it.

EARTHQUAKE

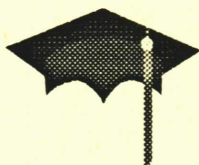

As all of us know, we are constantly told to be prepared for the so-called **BIG ONE** or any type of emergency situation. In an effort to check up on ourselves and our preparation level, Doheny will hold an **EARTHQUAKE SIMULATION DRILL** this week, on **Tuesday, March 7, from 11:15 - 12:15.**

All students, faculty, staff and administrators are expected to participate -- as if it were a real 6.5 shake. Since this is the designated "Free period", it will not interrupt classes, but all of us need to listen for the signal, "feel" the shake, and do the appropriate drill. (Check the signs posted on Campus for what to do during and after an earthquake. Then be sure to know the Assembly Location spot.)

Members of the Los Angeles Fire Department will be here to work with our own Crisis Management Team to see how we respond in an emergency. Wherever we are at 11:15, be sure to do the "Drop, Cover, Hold" drill. This will be considered a major quake and buildings will therefore have damage. Therefore, all **must** exit buildings and proceed to the safe location. Then be sure to follow directions and take part as you are asked to do so. Cooperation is the key to the survival of us all. An evaluation will be given at the conclusion.

Important Message:

Graduation '95!

Yes, the time is fast approaching for the festivities to begin. However, before we actually are at the point of marching in to the strains of "Pomp and Circumstances," there are a few things left to do.

Packets have been distributed to those students who are on the list of May graduates receiving their A.A. degree. If you did not receive yours, and think you should be on the list, please see Sr. James right away. We want to be sure that we have everyone included and need your help. (If you think a friend might have been missed, let them know so they can check it out.)

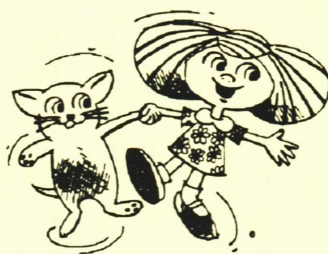

Help is also needed for the planning and carrying out the festivities on Laurel Day -- Doheny's traditional Hooding and Awards Ceremony. If any students would like to help -- especially needed are underclassmen -- please contact Sr. James, too.

Graduates!

Note the "due dates" on the forms you received and be sure you get those in on time. Most are due before the Spring Break so don't forget!

From the Early Childhood Department:

The E.C.E. Club (Phi Chi Epsilon) will be meeting on Monday, March 6th, at 5:15 p.m. in the Solarium Bldg. 17, upstairs). The agenda will include planning for Week of the Young Child. Everyone is welcome.

From Campus Ministry:

Lenten Prayer:

Lent is almost over. As Holy Week approaches, let us take advantage of the opportunities available to us to walk with Jesus.

Mass schedule is on the Campus Ministry board and on the Chapel door. Lenten Prayer on Tuesday. These fifteen minutes are special moments to pause, to reflect and to renew yourself. Please join us. Check the bulletin board for the time.

CAMPUS MINISTRY MEETING:

As we wind down on activities, join us to plan these last events. We will meet on **Thursday, April 6, 5:00 - 6:00 p.m.** in Campus Ministry. All are welcome.

Missionary Brothers of Charity:

Saturday, March 22, we will once again join the Brothers in making sandwiches to give out to the poor and homeless in two downtown parks. At times, when we feel the world closing in on us, the needy serve us by showing us how blessed we really are. Please volunteer and help us.

JUVENILE HALL:

As **Holy Week** approaches, we focus on the Suffering Servant, Jesus the Prisoner. You are welcome to come with us to Juvenile Hall the last Sunday of April. The young men and women incarcerated are hungering for hope and companionship. You can be that gift to them by the simple act of sharing yourself. Please join us on **April 30**, at 8:00 p.m.

Vocation Awareness:

Last week, we celebrated the **Sisters of St. Joseph** and the legacy they have left us here at Doheny. The Sisters on campus invite anyone interested in religious life to spend an evening with them: dinner, prayer and question /answer time. You may be curious, think you have a religious vocation, or want to accompany a friend who is attracted to this life style. Please check the date and time on the Campus Ministry board and RSVP to **Sister Angela**. Thank you.

From Early Childhood Education:

The Price of the Academy**," an evening dinner banquet, in the Pompeian Room of the Doheny Mansion. This gala affair is **FREE** to ISAE students. Watch for your personal invitation coming to you soon. For more information, call (310) 440-3284.

Alumnae Easter Egg Hunt:

On Saturday, **April 8**, the *Mount Alumnae Association* will sponsor an egg hunt for the children of graduates of both campuses. It is a wonderful event as you can well imagine -- and one of the reasons is because of the help of the Doheny students! Usually we assist through the Delta hostesses on campus, but we need many more people for the day. If you are free on April 8 -- any time from 8:30 a.m. until about 2:00 p.m. -- we could use you! And you're guaranteed to have some fun yourself! Sign-up list is on the bulletin board in #4 and by the mailboxes in #15 (McIntyre). Bring a friend along to help if you wish.

All proficiency tests must be passed in order to graduate or to transfer to Chalon.

We are saddened to report the death of **Cindy Moore-Swartz's** mother, Mrs. Shirley Belbruno, on April 3. Please keep Cindy and her family in your prayers.

Congratulations to Vicki and Kurt Johnson, who on April 1 became the very proud parents of **Emilee Grace**, measuring in at 19 inches and a robust 8 lbs. 1.5 ozs. Mom, Dad, and Emilee are all doing well--and they thank you for your kind wishes and prayers.

From Campus Ministry:

Lenten Prayer:

Lent is almost over. During this week, let us take advantage of the opportunities available to us to walk with Jesus.

Lenten Prayer on Tuesday 5:15 p.m.

Missionary Brothers of Charity:

Saturday, March 22, we will once again join the Brothers in making sandwiches to give out to the poor and homeless in two downtown parks. The needy serve us by showing us how blessed we really are. Please volunteer and help us.

Juvenile Hall : Jesus Died As A Convict.

The young men and women incarcerated in Juvenile Hall are hungering for hope and companionship. You can be that gift to them by the simple act of sharing yourself. Please join us on April 30, at 8:00 p.m.

Vocation Awareness:

The Sisters on campus invite anyone interested in religious life to spend an evening with them: dinner, prayer and question/answer time. You may be curious, think you have a religious vocation, or want to accompany a friend who is attracted to this life style. Please check the date and time on the Campus Ministry board and RSVP to Sister Angela. Thank you.

TIME TO HELP!

Circle **April 27** on your calendar today -- this will be Doheny's Spring Blood Drive for the Red Cross. There is a real need as we approach the summer months for donations. Please plan to be part of this effort.

Our drive is on **Thursday, April 27**, in Donohue. Appointments will begin at 8:00 a.m. (we're getting an earlier start this semester) and continue until 2:00 p.m. with the last appointments at 1:15. Sign-up sheet is on the door of Office 4, Bldg. 7, or through one of the recruiters. Walk-ins will be accepted, but appointments do help to avoid long waits.

If you have questions, contact Sr. James in Bldg. 7.

From the ISAE Office:

Attention ISAE Students:

The graduates' banquet, "**Bravo! The Pride of the Academy,**" has been rescheduled for Tuesday, April 25, 1995. Please disregard last week's published information. Graduates and transfers, look for your personal invitation in the coming week! We are very excited about this auspicious event in the Pompeian Room. Full course dinner, honors, awards, flowers, entertainment. **BE THERE!** For more information, please call (310) 440 - 3284.

FROM THE REGISTRAR'S OFFICE.....

As summer approaches, many MSMC graduates will be planning to transfer to another college or university, which, in turn, necessitates ordering Official Transcripts from the Registrar's Office. To make the processing of Transcript requests easier for all parties, please bear the following in mind.

***Transcripts are \$5.00 per copy, and must be paid for at the time of request. There is no "bulk" discount.**

***We do not provide "Unofficial Transcripts"; you must ask your advisor for an "Advisor's Copy" transcript should you need one.**

***All colleges, and most scholarship agencies, require Official Transcripts--not Advisor copies.**

***The Registrar's Office will mail transcripts to whichever address you provide--either to yourself, or to any institution or agency named. Please indicate on your form where you need the transcript sent. Write clearly, and provide the COMPLETE address.**

***You may also request that your transcripts be held for you at either the Doheny or Chalon Registrar's Office for pickup--indicate this on your form.**

***Please allow ONE WEEK turnaround time for the processing of your transcript request. It may not take that long, but it is best to allow for the unknown. PLEASE try NOT to make a request at 5pm--and then ask that the transcript be ready the following morning--as transcripts are run at the Chalon campus and are not processed instantaneously.**

***If you notice any discrepancies on your transcript, please notify your advisor immediately, so that steps may be taken to rectify the matter.**

Thanks for your cooperation!

Doheny Happenings

Volume 24, Issue 28

Week of April 17, 1995

From the Dean's Office:

On Monday, May 8, we will be holding our annual **Doheny Honors/Volunteers Reception** in the Mansion at 5:00 p.m. This is a very special reception which celebrates our academic and community service leaders. If you have been on the Dean's List or the Doheny Honor Roll in either the Spring 1994 or Fall 1994 semester, or if you have offered your services as a community volunteer above and beyond the norm, you will be receiving an invitation to attend this reception. Please R.S.V.P. to Lisa in the Dean's Office as soon as possible!

From the Registrar's Office:

The last day to file for Credit/No Credit, or Audit is **Friday, April 21st, 1995, by 4:00 p.m.**

Credit/No Credit-Audit forms are available from the Registrar's Office. You must fill out the forms and obtain **ALL** necessary signatures (advisor, instructor, business office, etc.) **BEFORE** you turn the form in to the Registrar.

Thanks for your cooperation, and good luck on finals!!!

We would like to commend all the students, faculty and staff for their cooperation during Pre-Registration week, which was one of our smoothest "Reg" weeks ever! Thank you! For all of you that have been "Waited Listed:" You have been registered **FOR** the class, but not **IN** the class. Over the summer, there will be various changes in class rosters; in July or so, you will be getting revised schedules of classes for which you have registered:

- ☐ If you are listed as enrolled in that class, then you are in the class and need not to do anything else.
- ☐ If you are listed as **WAIT**, then you must go to the first class meeting, and should take an **ADD/DROP** slip with you. Listen to the class roll. If your name is called as being on the list, then you have been moved into the class and need do nothing further. If your name has **NOT** been called, then you must ask the instructor if you will be able to **ADD** the class, and then you must fill out the **ADD/DROP** slip, obtain all the necessary signatures, and bring the form to the Registrar's Office.

DO NOT WORRY YET -- there is a tremendous amount of "roster shuffling" between now and the start of classes. Wait until you get your revised schedule, and see what the situation is -- and, of course, keep your eyes on this space for updates.

GOOD LUCK ON FINALS EVERYONE! SEE YOU FOR REPORT CARDS!

From Campus Ministry:

REMINDERS:

Missionary of Brothers:

Once again we will be joining the Missionary of Brothers in making sandwiches to give out to the poor. Please come and participate with us on **Saturday, April 22**. Volunteer your time in making a person feel warm inside. Check the Campus Ministry board for more information.

Juvenile Hall:

On **Sunday, April 30**, Campus Ministry will be visiting the young men and women in Juvenile Hall. Come and give them the gift of being heard and feeling special. The shuttle will be leaving in front of Bldg. 10 at 8:00 a.m.

Special Prayer Service Honoring Graduates:

Having worked hard, sacrificing your time and in your efforts in continuing to succeed, Campus Ministry coordinately invites you to a special prayer service on Thursday, April 27, at 11:15 in the Chapel. A reception will be held afterwards. Join us in thanking God for the gifts given to you and for your future goals. Please come.

Bike - A - Thon: Thousand of people have died of AIDS. This epidemic calls us to be compassionate and hard working to find a cure. One such effort is the 525 mile **Bike - A - Thon** from San Francisco to Los Angeles that **Aaron Mirsky**, our Library staff member, is undertaking. He is short \$700.00 dollars for his application goal. Starting this week, Campus Ministry will be in the umbrella section from 11:30 - 1:00, asking for donations. If everyone would contribute a dollar, we would come close to his goal. Any contributions would be greatly appreciated.

For Your Information:

Graduates!

The second packet is now out! If you did not receive one, it might be that you did not return the *first* one -- or there could be another reason. Please check your mailbox or the 48- Hour Board. If you still do not have one and expect one, check with **Sister James Marien** right away. The time is fast approaching, and final plans have been made.

Interested in Residence?

If you are a current commuter and hope to be a resident at Doheny this next Fall Semester, please pick up an application from Office 4, Bldg. 7. Applications should be accompanied by a \$100 housing deposit. *Rooms can only be assigned when the deposit is paid.* (At this time only students in the A.A. day program can be processed. Rooms for Baccalaureate students are only provided at the end of the summer if there is space.)

Direct questions to **Sister James**. (If you are interested in housing at Chalon, please contact **Alex Sosa** in the Chalon housing office as soon as possible. Their room selection is being done at this time.)

Red Cross Blood Mobile!

The response for the Blood Mobile on April 27 has been disappointing. Please check your calendar and come by Bldg. 7, Office 4 to sign for an appointment. We need many volunteers to help this agency which does so much good for so many. **Your donation is the gift of life!** You are needed!

☛ **Congratulations to Gloria Solorio** who has been selected by her classmates to give the Welcome at Commencement. We are all proud of you!

From ISAE:

You Are Cordially Invited...

All ISAE students who are graduating with a bachelor's degree or transferring to Chalon in the Fall of 1995 are invited, along with one parent or a significant person, to attend a banquet to celebrate their success. **"Bravo! The Pride of the Academy"** will be held on April 25, 1995, from 6:00 - 8:30 p.m. in the gorgeous Pompeian Room. Invited guests include public officials from the city, county, California legislature, U.S. Congress, key college administrators and faculty. To honor our students, the Mariachi Olympico, a highly acclaimed group of musicians, will play festive Mexican tunes amidst family, friends, supporters, a gourmet meal, flowers, and honor certificates. Space is limited; early reservations are strongly recommended. Please R.S.V.P. to **Jessica** at (310) 440 - 3284 by April 21, 1995. We look forward to honoring YOU at this auspicious event.

Thank you for your assistance!!

From the Ecology Club:

**Join us in Exploring the Tidepools
At Leo Carrillo State Park!**

Enjoy one last field trip before final exams! On **Saturday, April 22**, we'll be exploring the tidepools and oak groves of this scenic park located just off the Pacific Coast Highway north of Malibu.

Twice a day the ocean tides reveal thousands of beautiful and exotic marine animals and plants at this beach. At this time of year, gray whales migrating south to Baja California can often be seen from shore. Perky sea lions and playful dolphins regularly cruise the kelp forests offshore here, too.

A van will leave Doheny at 8:00 a.m. and return at 2:00 p.m. The van can carry only 15 people, so sign up early with **Vera Rios** or **Maria Duran**. You are also welcome to drive yourself and meet us there in the parking lot.

KICK-OFF TIME FOR THE CAMPUS RECYCLING PROGRAM!

DID YOU KNOW that the single most important action any one person can do to help the environment is to recycle? **SHOW YOU CARE** by depositing your cans and bottles in the blue recycling cans which will be appearing on campus later this month. Blue recycling bins for white paper will also be placed near selected copy machines.

Sometimes it is difficult for us to change our behavior and develop new habits. Please urge your friends to be socially conscious and recycle their bottles, cans, and white paper. You can also remind them not to put other types of trash or garbage in the recycling cans. **THANK YOU FOR THINKING ABOUT EVERYONE'S FUTURE ON OUR PLANET!**

You will always be a part of the Doheny Community, and we hope that you will keep in touch and let us know how you are doing--and if there is anything that we can do for you. We are all very proud of you!

TO STUDENTS, FACULTY AND STAFF: Thanks to each of you for your warmth, enthusiasm, kindness, and commitment, and for all you have contributed to creating a community feeling on our campus. Doheny is a very special place, and it is you, the people here, who make it so.
